CALL US: 949-878-9525

11 Easy Steps Describe the Process

- ✓ Determine the source of the water; take (reasonable) measures to stop it from flowing.
- ✓ Determine if your water damage is covered by your home insurance policy.
- ✓ Call your insurance agent and report the claim.
- ✓ If needed, hire a professional water damage clean-up company.
- ✓ Determine if you need to leave the home.
- ✓ Take photos of the damaged area and any damaged possessions.
- ✓ Meet with your adjuster.
- ✓ Understand your loss settlement: ACV vs. replacement cost.
- ✓ Meet with several contractors.
- ✓ Negotiate the settlement for repairs.
- ✓ Be prepared to get canceled or non-renewed.
